

APPLICATION FOR CHAPTER OFFICE and DELTA RESUMÉ
Kansas City, MO Alumnae Chapter of Delta Sigma Theta Sorority, Inc.
 Please type or print legibly

Name: Beverly Smith Hill

Your Occupation/Training: Math Educator

Highest Level of Education Attained: Bachelor's with Some Master's Level Courses

Office(s) You Are Applying for:

1st Choice: Assistant Treasurer

2nd Choice _____

DELTA RESUME

As of the date you are submitting this application, are you financial with -

Grand Chapter?

Yes

KCMO Alumnae Chapter?

Yes

Date Initiated: April 29, 1994

Chapter Name/Location: KCMO Alumnae Chapter

Number of Years in KCMO Alumnae Chapter: Approximately 20

List the Local, Regional, and National offices/appointments held and committees you have worked on within the past three years.

	Year		Year
GEMS Committee Member	2020 - Present	MIT Committee Member	2020 - 2021

Delta Academy Committee Member	2019-2021	Cotillion Steering Committee Member (Envoys Chair/Recruitment Chair/Formal Presentation Chair)	2002-2020
Founders Day Committee Member	2017-2018		

List National Conventions and Regional Conferences you have attended (with dates) since 2012:

Year	National Conventions	Year	Regional Conferences
2015	Houston National Convention	2016	Wichita Regional Conference
2017	Las Vegas National Convention	2018	Kansas City, KS Regional Conference
		2020	Virtual Regional Conference

List any specific training or certification you have that would enhance your qualifications as a Chapter officer.

I hold a Bachelor’s Degree in Mathematics. After serving as an Operations Analyst with a reputable insurance company, I transitioned into education as a secondary mathematics instructor.

List the personal strengths, qualities, and skills that you would bring to the office(s) you are seeking? Briefly indicate how you plan to demonstrate each of the qualities and skills you have listed as a Chapter Officer?

As a mathematician and data analyst, I have to be very meticulous, in nature (and I am) to ensure that even the smallest errors are caught. I possess strong writing reading, writing, and verbal skills. As a secondary mathematics instructor, I must ensure that students meet or exceed the highest attainable expectations prior to moving on to the level.

I currently serve as the math department chair at my high school and received “department chair of the year” last year; not to mention the math department received “department of the year” during that same year. I have also served as an Instructional Coach within KCPS and at Hogan Prep Academy, and department chair, as well. As Assistant Treasurer, I will assist the Treasurer serve as “backup” to ensure that her roles and responsibilities are adequately carried out. I am a stickler for punctuality and believe in adhering to deadlines.

I am currently in the process of transitioning into the position of Treasurer of my neighborhood HOA.

Please list community service projects you have participated in within the past three (3) years.

- Volunteer to assist with events at the DA – As needed (most recent: April 4, 2021)
- Macedonia Baptist Church Deaconess Ministry Member (Thanksgiving baskets, annually and other activities as called upon)
- Community Builders of KC – July 2020
- Harvesters (Cotillion 2020)
- Sisters in Christ Mental Health Conference – November 2019
- Personal Shopper: Holiday Free Store Volunteer – December 2019

Briefly share your vision for the KCMO Alumnae Chapter of Delta Sigma Theta.

Having been initiated through the KCMO Alumnae Chapter during the Spring of 1994, I've had a bird's eye view of seeing the chapter grow from about 150 members to almost double that. We've gone from meeting at "this church" and "that church" to now owning our own house through the DEED Foundation, which I watched receive national recognition at the Las Vegas National Convention.

The KCMO Alumnae Chapter has grown from "existing" within the Central Region to, now being one of the strongest, if not, THE strongest chapter within the region. Many of our members hold national positions (I hope to be one of them someday). With the abundance of bright and brilliant women who are a part of this chapter, I see us becoming even bigger and better than we currently are within the next ten years.

By my signature below, I am indicating that I am willing to fulfill the duties of the office(s) that I seek, and all information presented in this application and resume is true and accurate:

Signature: *Beverly S. Hill*

Date: April 18, 2021

Please feel free to attach any additional information or documents that you feel are relevant or that you would like reviewed prior to the May election of officers.

Beverly Smith Hill

PROFESSIONAL LEADERSHIP

August 2019 – Present

As Math Department Chair at Central High School of the Kansas City Public Schools (and other districts as well), I offer support to fellow math and cross-curricular colleagues in order to ensure that planning and implementation properly takes place in preparation for student academic success; not just for state testing but college and career readiness, as well. I meet weekly with building leadership and monthly with district leadership to assist with the strategizing process. I have served as a math educator for the past 19 years.

February 2021 – Present

As the Oak Hill South HOA Assistant Treasurer, I currently serve as assistant treasurer in preparation for transition as treasurer. Responsibilities include: All financial operations relative to HOA operations; including pool operations and neighborhood maintenance.

August 2008 – Present

As Deaconess of Macedonia Baptist Church, I serve in a number of capacities relative to successful church functionality - community events such as Thanksgiving Baskets, youth ministry and a host of other activities.
